

UPstanders Against Antisemitism Programs

WORKSHOPS FOR PARENTS, GRANDPARENTS,
AND RELIGIOUS SCHOOL EDUCATORS

Teacher Training ■ Parent 'Circle' Workshops ■ Keynotes ■ Conference Speaker

Do Jewish youth know what to do when:

- THEY HEAR NAZI TAUNTS?
- NEGATIVE JEW JOKES ARE DIRECTED TO THEM OR THEIR FRIENDS?
- THEY OBSERVE VERBAL AND/OR NON-VERBAL SLIGHTS, SNUBS, INSULTS?
- THEY SEE ANTISEMITIC TROPES, CARICATURES, AND STEREOTYPES ONLINE?

Solution-Oriented — You will actively:

- Identify and discuss the challenges and problems
- Discover benefits of teaching identity, pride, and strategies to Jewish youth earlier
- Learn guidelines for creating a TEAM with your children/family in your home
- Gain understanding of & rehearse effective strategies your youth can use
- Roleplay scenarios to safely apply & practice the rehearsed effective strategies
- Receive pointers on how to work with public schools after/before an incident
- How to create a team with your kids in your home

In the Parents Circle, parents were very engaged and participating. I felt all of the adults, both parents and grandparents, were able to walk out with something to work toward to push back against antisemitism.

The training program for our teachers was very beneficial; the UAA facilitator invited an open and honest conversation about the dilemma of our kids facing painful antisemitism. My teachers felt it was useful, learned new strategies and effective communications style to teach our students confidence to safely address all bias.

Education Director,
